## ABOUT SOMERSET HOUSE

*Step Inside, Think Outside*

As the home of cultural innovators, Somerset House is a site of origination, with a cultural programme offering alternative perspectives on the biggest issues of our time. We are a place of joy and discovery, where everyone is invited to Step Inside and Think Outside.

From our historic site in the heart of London, we work globally across art, creativity, business, and non-profit, nurturing new talent, methods and technologies. Our resident community of creative enterprises, arts organisations, artists and makers, makes us a centre of ideas, with most of our programme home-grown.

We sit at the meeting point of artistic and social innovation, bringing worlds and minds together to create surprising and often magical results. Our spirit of constant curiosity and counter perspective is integral to our history and key to our future.

## ABOUT MOËT & CHANDON

Moët & Chandon was founded in 1743 by Claude Moët and elevated to international renown by his descendant, Jean-Rémy Moët, who dreamt of “sharing the effervescence of Champagne with the world.” From royal court to red carpet, Studio 54 to Grand Slams, Moët & Chandon has been bringing people together around thrilling, extraordinary moments. With the largest, most diverse vineyards in the region, the House offers a universal & versatile portfolio of champagnes for every occasion and palate. Easy to love, each creation – from the iconic Moët Impérial to the refined Grand Vintage Collection, the glamorous Moët Rosé Impérial to the refreshing Moët Ice Impérial – dazzles and delights with a broad spectrum of flavors and aromas to capture the astonishing breadth of its terroir. Through Natura Nostra, Moët & Chandon’s long-term sustainability program, the House works to protect biodiversity in the region and, since 2009, Moët & Chandon also supports philanthropic initiatives through Toast for a Cause. For nearly three centuries, Moët & Chandon has been the champagne of choice to mark both significant events in history and personal celebrations, enhancing each toast with the spark of effervescence.
